Precedents: Residential street with tree planting in build-outs (left); example of small species tree Field Maple (right)

Section E-E: Possible Greening Intervention

Footpath Street tree build-out Residential road Street tree build-out Footpath
3.8.5 Forth Street, East Wall

Located in the north of the East Wall residential area, the large area of hard-standing pavement at the intersection of Forth Road and Bargy Road presents an opportunity for street greening. Possible greening interventions could comprise the planting of medium-scale tree species with grass lawn.
**Phase 1. 2018 - 2021**
- Mountjoy Square
- Diamond Park
- Liberty Park
  - Tree Planting Projects
  - Killarney Street
  - Summerhill
  - Sean McDermot Street
  - Dorset Street Phase I (median refurbishment)
  - East Wall Area (Residential Street Planting Stage I)
  - North Strand Area (Residential Street Planting Stage I)
  - Minor Projects
  - Belvedere Place Plaza
  - Guild Street Plaza
  - Guild Street Canal Walk (Harlequin Gardens)
  - City Farm (Feasibility)
  - Community Planting Project (Area Wide Stage I)

**Phase 2. 2021 - 2023**
- East Wall Recreational Space
- Royal Canal Linear Park (Feasibility)
  - Tree Planting Projects
  - Fitzgibbon Street
  - Belvedere Place
  - Dorset Street Phase II (Extension to Median - Feasibility)
  - East Wall Area (Residential Street Planting Stage II)
  - North Strand Area (Residential Street Planting Stage II)
  - Minor Projects
  - West Road Planting
  - Irvine Court Pocket Park
  - Oriel Street Plaza
  - Community Planting Project (Area Wide Stage II)

**Phase 3. 2023 - 2026**
- Mariners Port Park (Feasibility)
- Royal Canal Linear Park
  - Tree Planting Projects
  - Charles Street Great
  - East Wall Area (Residential Street Planting Stage III)
  - North Strand Area (Residential Street Planting Stage III)
  - Minor Projects
  - Sean O'Casey Plaza
  - Froth Street
  - Community Planting Project (Area Wide Stage III)
Next Steps;

Further consultation - Draft available on line for six weeks for further review.
Thank you...
